

BOAT CLUB ACCESS

WITH TRILOGY[®] LAKE NORMAN

In addition to all of the amazing resort amenities that are included in your Trilogy[®] Lake Norman social membership, all of our members will also have access to beautiful Lake Norman through **FREEDOM BOAT CLUB**. This partnership eliminates the inconvenience and expense of owning a boat and makes it **SIMPLE** by giving you access to a fleet of boats! Imagine being able to spend the day at the lake relaxing with friends and family, all without the hassle of owning your own boat. **EVERYTHING YOU IMAGINED** about living the good life just became a reality. Getting out on the lake is as easy as:

1	Choose the day and time you want to go out on the lake and make your reservation online.
2	Arrive at the dock where your boat will be waiting for you and enjoy the water with friends and family.
3	Bring the boat back to the dock when you're finished, pay for fuel consumed, and head home to relax after a day of fun.

To ensure our members have fair and equal access to the available boats at Freedom Boat Club, we will be implementing an online reservation system that allows for equal opportunity for all members.
